Partnership Opportunities

NGAUS

145TH GENERAL CONFERENCE & EXHIBITION

RENO 2023

Hosted by the Nevada National Guard Association

About NGAUS 2023

A NGAUS tradition, the annual conference allows members to gather and vote on the top legislative priorities for NGAUS, share information and celebrate the camaraderie of being National Guard and NGAUS members and supporters.

The 2023 Conference will be held at the Reno Sparks Convention Center. More than 5,000 members of the military, national Administration officials, elected officials and private industry representatives who are members, partners, and supporters of NGAUS will be in attendance. Attendees will be from all 54 States and Territories. The event is a major gathering of industry and military decision makers who evaluate, assess, recommend, and select equipment, machinery, supplies and services for the over 450,000 members of the Army and Air National Guard.

Join us in Reno as we showcase the patriotic and innovative spirit of National Guard Service members and the partners that support them.

The National Guard Association of the United States (NGAUS)

The National Guard Association of the United States is the Guard's primary advocate in Washington, educating Congress on the roles, capabilities, and requirements of the nation's first military force. As one of the largest military lobbying organizations, NGAUS works to transform its members' ideas into legislative action and provide states and members unified representation before members of Congress and their staff on the association's priorities. Aside from the National Guard voice NGAUS brings to Capitol Hill, members also enjoy a variety of benefits that include everything from insurance and other life enhancing programs to various discounts and privileges with a variety of NGAUS business partners.

VISION

To serve as America's strongest advocate for promoting the highest levels of relevance, readiness, modernization, and quality of life for our National Guard family.

MISSION

A full strategic partner with our state associations and congressional delegations enabling effective communication of our message to continuously improve our relevance, readiness, modernization and quality of life, while promoting our rich militia heritage as the nation's oldest military organization.

National Guard

Since its inception in Salem, Massachusetts, on December 13, 1636, the National Guard has stood as the oldest component of the Armed Forces of the United States. The tradition of National Guard service is strong in this year's host state of North Carolina, with commitments in every major engagement since the Revolution. Today the Soldiers and Airmen of the National Guard come from every type of community and serve across all corners of our nation. The National Guard has never been busier in its existence than in the past decade. Despite its heavy commitment in the Global War on Terrorism, the units of the National Guard continue to meet every challenge, from response during emergencies and disasters, to responding to COVID 19, to deployments in areas abroad -the Soldiers and Airmen of the National Guard stand ready to support and serve while protecting the freedoms we as a nation enjoy.

Nevada National Guard Association

The Nevada National Guard Association is a non-profit 501(c)(19) veterans' association that represents 4,400 members of all ranks and status--enlisted, warrant, officer, traditional Guardsmen, active, and retired. The Nevada National Guard Association garners support for the NV National Guard's role in state and national security and improves its members' quality of life. The Nevada National Guard Association achieves its mission through its three primary programs of Membership, Benefits, and Advocacy.
